# iCATsystem **connect**

The smart connection to conventional test systems with the proven
**iCAT quick-change adapter technology**

Example: iCATsystem connect

The **iCATsystem connect** allows you to use the **sophisticated and universal adapter technology** of the iCATsystem product family with test systems from competitors.

Thanks to the proven quick change mating connector test setups can be quickly changed in just a few steps.
Quick change adapters can be made easily and with minimum effort with our **universal assembly kit.**
Various standard cases are available to customize the size of the **iCATsystem connect** to your individual needs.
An application for **HV-test tasks** is provided for as well.

Example of an **iCATsystem connect** with a third party test system
